

SUSTAINABILITY: FOOD FOR THOUGHT

- Sustainability is the ability to continue a defined behavior indefinitely.
- "Food for Thought" is something that warrants serious consideration.
- This is our theme for our learning community.
- Our examples will connect to this theme along with the topics that you decide to do your research on.
- Seminar will help you come up with research ideas that will both connect with out theme AND be something that you are greatly interested in.

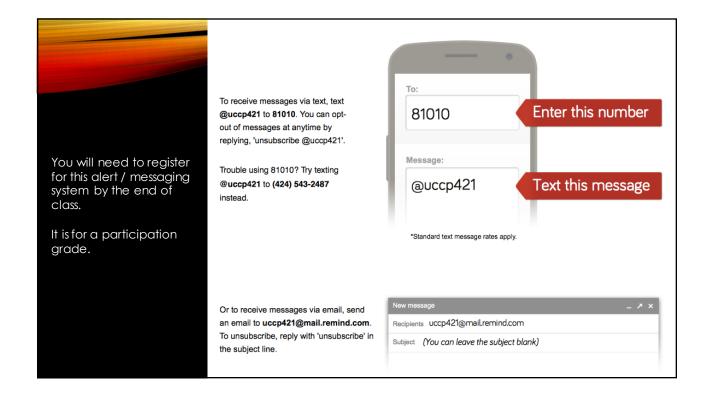

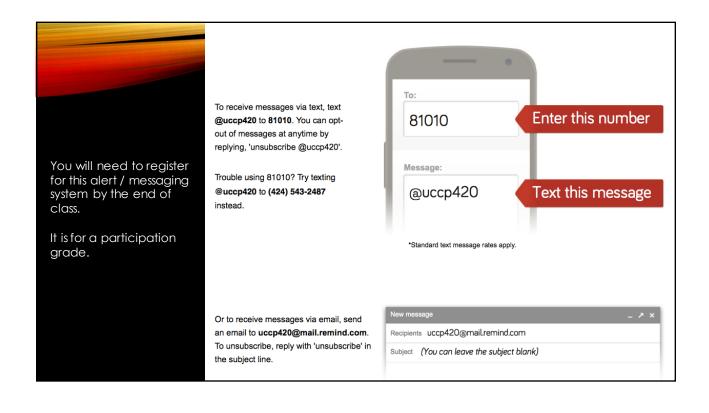

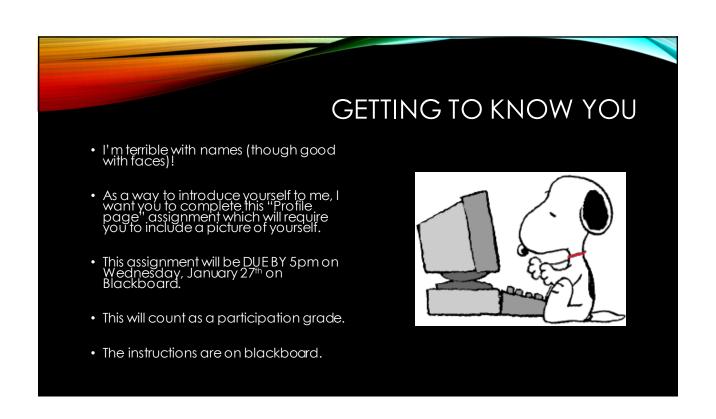

SYLLABI REVIEW QUIZ

- You are going to be placed into groups of four.Introduce yourselves
- Take out your syllabi for all of your Triad J classes.
 Don't have them? Better make a friend.
- The quiz is on your UCCP Blackboard page. It can easily be accessed through your smartphone.
- You can help each other out and use your syllabi to answer all these questions.
- There are 10. All you need to do is get at least 7 correct and you'll get full credit.
 If you get less than 7 correct...there will be extra credit opportunities later.
